PLANNING APPLICATIONS

Planning and Development Act (As Amended). Notice of Direct Planning Application to An Bord Pleanála in respect of a Strategic Infrastructure Development, in accordance with Section 37E of the Planning and Development Act 2000 (as amended). EP Energy Developments Ltd. gives notice of its intention to make an application to An Bord Pleanála for permission to develop an Open Cycle Gas Turbine power plant (350MW) and associated infrastructure on land to the north of Tynagh Power Station, Derryfrench, Tynagh, Loughrea, Co. Galway. The proposed development will include: Demolition of existing vacant site situated on site; installation of an Open Cycle Gas Turbine (OCGT) unit and associated plant (including GT enclosure; air intake; stack 40m high) with Continuous Emissions Monitoring System (CEMS); circuit breaker; main, auxiliary and ancillary transformers; switchyard; acoustic barriers; electrical rooms; fan coolers; skid (to contain gas skid; distillate fuel skid; lube oil skid; CO2 fire-fighting skid); propane store; pump out kiosk; gantry, handstanding maintenance area; Lubrication oil and chemical stores (3 no. shed structures); Secondary fuel storage area (1 no. bunded fuel oil storage tank; fuel treatment plant; fuel forwarding building; fuel unloading gantry); Fuel pipe gantry; Demineralised water storage tank and pumphouse; Firewater storage tank and pumphouse; Emergency diesel generator; Above ground gas installation (AGI) to facilitate connection to existing gas pipeline; A new 220 kV switchyard bay within the existing electricity substation. And all associated ancillary development, site works and services including underground pipework and cabling, upgraded wastewater and chemical drainage infrastructure, fencing, internal roadways, lighting, etc. The application relates to the development for the purposes of a license from the Environmental Protection Agency under the Industrial Emissions Directive. It relates to a development of COMAH-establishment and therefore falls under the requirements of the Control of Major Accident Hazard (COMAH) Regulations 2015. An Environmental Impact Assessment Report (EiAR) will be submitted with the application. The planning application and EiAR may be inspected free of charge or purchased on payment of a specified fee (which shall not exceed the reasonable cost of making a copy) during public opening hours for a period of seven weeks commencing on 22nd August 2023 at the following locations: • The offices of An Bord Pleanála, 64 Marlborough Street, Dublin 1, D01 V902; • The offices of Galway County Council, County Hall, Prospect Hill, Galway, H91 H6K6. The planning application and EiAR may also be viewed or downloaded on the following website: www.tynaghnorthocgt.ie. Submissions or observations may be made only to An Bord Pleanála (The Board) at 64 Marlborough Street, Dublin 1, D01 V902; or via the Board's website, www.pleanala.ie/en-ie/observations, during the aforementioned period of seven weeks relating to: i. The implications of the proposed development for proper planning and sustainable development; and ii. The likely effects on the environment of the proposed development; and iii. The likely significant effects of the proposed development on a European site, if carried out. Any submissions or observations must be accompanied by a fee of €50 (except for certain prescribed bodies) and must be received by the Board not later than 5.30 p.m. on 10th October 2023. Such submissions or observations must also include the following information: - The name of the person making the submission or observation, the name of the person acting on his or her behalf, if any, and the address to which any correspondence relating to the application should be sent; and - The subject matter of the submission or observation; and - The reasons, considering all arguments on which the submission or observation is based in full (Article 217 of the Planning and Development Regulations 2001, as amended). Any submissions or observations which do not comply with the above

PLANNING APPLICATIONS

requirements cannot be considered by the Board. The Board may, at its absolute discretion, find an objection on the application (refer to the Guide to Public Participation in Strategic Infrastructure Development at www.pleanala.ie). The Board may, in respect of an application for permission to approve, decide to: a) (i) grant the permission/approval; or (ii) make such modifications to the proposed development as it specifies in its decision and grant permission/approval in respect of the proposed development as so modified; or (iii) grant permission/approval in respect of part of the proposed development (with or without specified modifications of the foregoing kind), and any of the above decisions may be subject to or without conditions; or b) Refuse to grant the permission/approval. Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of An Bord Pleanála (Tel. 01-8588100). A person may question the validity of any such decision of the Board by way of an application for judicial review, under the provisions of the Rules of the Superior Courts (S.I. No. 15 of 1986, as amended by S.I. No. 691 of 2011), in accordance with Section 50 of the Planning and Development Act 2000, as amended. Further information on the review mechanism can be accessed on the Board's website (www.pleanala.ie) under the following heading: Legal Notices and Judicial Review. This information is also available on the Citizens Information Service website www.citizensinformation.ie.

MEATH COUNTY COUNCIL: We, Runways Information Services Limited, intend to apply for Retention Planning Permission for a development at Lands adjacent to the townlands of Loughsallagh to the north of Clones Village, Co Meath. The proposed development, located to the south of the datacentre granted permission under Reg. Ref. RA/180671 and is just off the M3 Motorway inside the datacentre campus. The proposed development will consist of a retention application for a building already in existence on the datacentre campus and the building will primarily be used as temporary substation to help power the campus during construction stage. The site area is circa 0.04 Hectares. The building has since been erected and the applicant is applying for retention permission to retain the building for storage of landscaping materials and related site equipment. The building is two tiered with different heights. The building measures approximately 12.5 metres in length and has a height of 2.9 metres on the lower side of the building and a height of 4.27 metres on the higher tier. The building has a width of 5.3 metres at both ends. The building being retained has an area of 63 sqm. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy at the offices of the Planning Authority (Runways Information Services, Navan, Co. Meath) during its public opening hours of Monday to Friday 9am - 1pm and 2pm - 4pm. A submission or observation in relation to the application may be made in writing to the Planning Authority on payment of the prescribed fee (€20.00) within the period of 5 weeks beginning on the date of receipt by the Planning Authority of the application and such submissions or observations will be considered by the Planning Authority in making a decision on the application. The Planning Authority may grant permission subject to or without conditions or may refuse to grant permission.
